## **A Bibliography of the History of Inland Waterways, Railways and Road Transport in the British Isles, 2016**

The annual bibliography of books, periodical articles and theses again includes contributions from Peter Brown, Philip Brown, Tim Edmonds, Chris Heaton, Paul Reynolds, David Stirling and Michael Thomson. We are also again indebted to the following societies who have generously provided complimentary copies of their journals: Boat Museum Society, Cumbrian Railways Association, Great Eastern Railway Society, Great North of Scotland Railway Association, Historic Narrow Boat Club, Industrial Railway Society, Midland Railway Society, North Eastern Railway Association, Subterranea Britannica and Welsh Railways Research Circle.

**Grahame Boyes and Matthew Searle**

As usual 'Ott. xxx' indicates an entry in *Ottley's Bibliography of British Railway History*.
