A Bibliography of the History of Inland Waterways, Railways and Road Transport in the British Isles, 2018

The annual bibliography of books, periodical articles and theses includes contributions from Peter Brown, Philip Brown, Chris Heaton, Paul Reynolds and Michael Thomson. We are also again indebted to the following societies who have generously provided complimentary copies of their journals: Cumbrian Railways Association, Great Eastern Railway Society, Great North of Scotland Railway Association, Industrial Railway Society, Midland Railway Society, North Eastern Railway Association, Subterranea Britannica and Welsh Railways Research Circle.

Grahame Boyes and Matthew Searle

As usual ‘Ott. xxx’ indicates an entry in *Ottley’s Bibliography of British Railway History*.
