

# A Bibliography of the History of Inland Waterways, Railways and Road Transport in the British Isles, 1993

Two of the railway society periodicals have been renamed this year: *Premier News* is now simply the *LNWR Society Journal*, whereas the *Somerset & Dorset Railway Trust Bulletin* now carries the more nostalgic title of the *Pines Express*.

Thanks are again due to the regular group of contributors and to the Ian Allan Bookshop at Waterloo, the World of Transport Bookshop at Twickenham, and the Inland Waterways Association bookshop.

† indicates that a copy of the book has not been seen; the bibliographical details may therefore not be accurate.
